Now a healing prayer in Jesus name:

Heavenly Father, I thank you for your Word that says that by the stripes of Jesus I was healed. I choose to believe your healing power went to work in my body the instant I believed your word or had hands laid upon me.

I confess Jesus Christ as Lord over my life, spirit, soul and body. I have received the power of God to make me sound, whole, delivered, saved and healed.

Sickness, disease, pain, I resist you in the name of Jesus. You are not the will of God. I enforce the Word of God on you. I will not tolerate you in my life. My days of sickness and disease are over!
Jesus bore my sickness, weakness and pain. I am forever free.

Father, thank you for watching over your word to perform it in my behalf. I praise you and bless you in Jesus name!

End the service by asking those that want hands to be laid on them in Jesus name.
Amen.
